Narciso propone un'inedita collezione ispirata alle superfici di specchi anticati, ossidati da agenti atmosferici e opacizzati dal trascorrere del tempo. Ogni dettaglio è messo in risalto dalle finiture Full Lappato, Lappato Matt e Naturale che restituiscono effetti estetici e materici originali.

Declinata in quattro colori: Perla, Argento, Topazio e Zaffiro, la collezione è ideale per ambienti pubblici e privati di grande impatto visivo.

Il decoro Frammenti realizzato da schegge di specchi armoniosamente disposti sulla superficie, e il decoro Gemma, che riproduce antiche decorazioni stilizzate, adornano la collezione aggiungendo ulteriori riflessi di stile.

Narciso is an original collection inspired by the surfaces of antique mirrors, oxidized by atmospheric agents and dulled by the passage of time. Every detail is emphasized by the Full Lappato, Lappato Matt and Naturale finishes, which produce original aesthetic and tactile effects. Available in four colours - Perla, Argento, Topazio and Zaffiro -, the collection is ideal for public and private areas with a striking visual impact.

The Frammenti decor made from mirror shards harmoniously arranged on the surface, together with the Gemma decor which reproduces old stylized decorations, adorn the collection, adding further stylistic reflections.

P. 1

Narciso предлагает новую коллекцию, вдохновением для которой послужили старинные зеркала, окисленные осадками и помутненные течением времени. Каждая деталь подчеркивается отделками Full Lappato, Lappato Matt и Naturale, которые воссоздают оригинальные эстетические и фактурные эффекты. Эта коллекция, предлагаемая в четырех цветах Perla, Argento, Topazio и Zaffiro, отлично подходит для оформления общественных и частных пространств с ярким визуальным эффектом. Декор Frammenti, полученный из осколков зеркала, гармонично распределенных по поверхности, и декор Gemma, воспроизводящий старинный стилизованный декор, дополняют коллекцию, наделяя ее новыми элементами стиля.
